Variety

The right fit for you

With Avaya IP Office, you decide what is right for your business and the needs of your employees.

Essential, Preferred, Advanced or Select Platforms offer the right variety of basic to the most complex communications to match any business need.

Resiliency

Built In

For businesses with one or many locations, the IPO has many levels of resiliency to offer based on need & budget. Maintaining Business Continuity in the unlikely event of a partial or complete outage.

Simplicity

In the DNA of IP Office

Ensuring you effortlessly grow and manage your communications. Adding a new phone is as simple as just plugging it in. IP Office does the rest.

Windows Based System Manager allows for administration from anywhere.
